Jesus' gaze that blesses invites us to be a Church that does not face today's challenges and problems with divisive and contentious spirit but, turns its eyes to God who is communion and, with awe and humility, blesses and adores him, recognising him as its only Lord" **#Synod** 5th October 2023

October Month Of Missions

"Mission Notice Board" at the back of the church is all about the "BRAZIL JARS." For over 15 years some people have been supporting people and small projects in the area where Fr. Mike used to work. Every few years he would put up a small report. Since our support has been over a period of 15 years there are some photographs and an update on what has happened and is going on just now.

The Synod in Rome has begun! Representatives from all over the world will continue to meet in Rome during this month of October. I doubt we will see much in-depth reviews on the mass media. Hopefully Fr. Mike will put updates in Reflections, for those who receive them, during this month.

Parish Reflections are sent out once a week and compiled by Fr. Mike. When Covid began and Catholic papers were stopped Fr. Mike began gathering articles with information regarding Catholic and Christian news throughout the world plus articles that may help us in our faith formation. The articles published do not express Fr. Mike's nor the Parish's official position. They are chosen because they are newsworthy or could help make us think and grow in our faith. If you do not receive Reflections and would like to please inform Richard our Newsletter editor and who sends Reflections out.

New Purificators

Many liturgical objects we use get worn out over time or mysteriously go missing. We're down to just two purificators. The purificator is a special white cloth reserved for cleaning the chalice that holds the Precious Blood for the priest and communicants. Afterwards it is washed separately and the water is poured into the ground. Our parish was needing about 20 of them (we should use about 9 a week). Fr. Edward Wanat SDS, parish priest of St. Mary's Haddington, is a friend of a friend of Fr. Mike's. he offered to buy them for us when he next visited Poland. The difference in price between buying in Poland and here is amazing! He refused to accept any payment so we thank him for his important gift and the time he spent on.

We are looking for a volunteer to take the purificators home on a weekly basis giving them their proper respect to wash and iron them. Please contact Fr. Mike.

This month of MISSION could make a lasting difference to our Church. The first part of the Synod will take place throughout the whole of the month. We pray for the Holy Spirit to be a moving and deciding voice in our Church.

4-29 October 2023 Catholic bishops, priests, and lay women and men from all over the world gather in Rome for the Synod of Bishops to discuss “synodality” – the way in which all members of the church participate in the

church and its mission. It is part of an extraordinary three-year renewal process initiated by Pope Francis, with all 1.3 billion Catholics invited to contribute, culminating in two synod meetings of bishops in Rome in October 2023 and a year later in 2024. This timeline shows key moments in that process.

“Synod” is derived from two Greek words *syn*, meaning together, and *hodos*, meaning road or way. It is used for a religious meeting or assembly coming together. The first formal recorded meetings of church leaders can be traced back to the [mid-second century](#). In modern history, synod assemblies have been held once every three or four years and last for one month.

In the past only bishops (and some clergy or religious brothers) have had the power to vote. At the synod in Rome, 54 out of the 365 voting delegates will, for the first time, be women.
