Collection of St. Peter's Pence: a gesture to support the Pope in His mission

On **June 29** - which this year falls on the last Sunday of June - the Church celebrates the Solemnity of Saints Peter and Paul, and on this occasion, the traditional **Peter's Pence** collection takes place. This is a concrete way to support the Holy Father in his mission of service to the universal Church.

Peter's Pence is a gesture of communion and participation in the Pope's mission to proclaim the Gospel, promote peace, and spread Christian charity.

To support this initiative, the **Secretariat for the Economy** and the **Dicastery for Communication** of the Holy See have prepared informational and multimedia materials to illustrate its significance.

On the official website ObolodiSanPietro.va, it is possible to:

- View or download the **official video**, available in **several languages**
- Download the **brochure and poster**, available in **several languages**
 - Make a **donation** through secure digital channels

As every year, every offering - large or small - will support the Holy Father in his **ministry** and in his **charitable activities** in response to emergencies and needs around the world.

Pope Leo XIV has been very busy although we do not hear so much about this. Pope Francis did many things in a more "dramatic" way that called attention. Pope Leo seems to be more discreet and so not capture the headlines.

We are in the Jubilee Year and Pope Francis, before he died, had marked out daily major events and themes and Pope Leo is following this rigorously in Rome. This explains his lack of comments on global events. No doubt he will reveal himself more.

Of course he is a very young Pope. Never have we had a recent pope who before the conclave as a cardinal was daily at the gym and playing tennis!

LOURDES PILGRIMAGE

Many priests in the diocese will be accompanying our sick. During this time Fr. Mike is looking after, St. John Vianney, Alva, St. Mungo's, Alloa and High Valleyfield.

Congratulations to James Kean Tobin

who this week was made Head Boy of St. Modans R.C. School in Stirling

STORM DAMAGE REPAIRS

Work was meant to begin on Monday, but no workers from MAM appeared. Then we were told Wednesday but still no workers.

However, work started on Thursday!

Abortion

Last Tuesday, MPs voted 379 to 137 in favour of Tonia Antoniazzi's extreme abortion up to birth amendment. This was the first time this radical amendment has been debated in the Commons, with under two hours of discussion and no public consultation.

The amendment, tabled by Tonia Antoniazzi MP, would change the law so it would no longer be illegal for women to perform their own abortions for any reason, including sex-selective purposes, and at any point up to and during birth, likely leading to an increase in the number of women performing dangerous late-term abortions at home.

But it is not law yet - we will be doing everything in our power to fight this amendment in the House of Lords.

Assisted Suicide

On Friday, MPs voted at Third Reading by 314 votes to 291 in support of Kim Leadbeater's assisted suicide Bill. This is a major drop in support from November, when the Bill passed its Second Reading by 55 votes - it has now scraped through by just 23.

We will be fighting this Bill at every stage in the House of Lords, where we are confident it can be overturned, given its continued loss of support.

Abortion up to birth - how did your MP vote?

Did your MP vote for abortion up to birth? Use this web tool to find out and then send them an email to encourage them to vote the right way if the amendment / other abortion amendments return from the Lords for votes in the Commons during "ping-pong".

Please take action now and email your local MP: www.righttolife.org.uk/uptobirthvote - it takes just 30 seconds!
