# St Modan's RC High School

We are currently seeking a member of our school community to serve as the Church Representative on our **Parent Teacher Partnership (PTP)**.

This is a voluntary role that supports the school's values and aims. The Church Representative sits as a full member of the Parent Council (PTP) and, as such, plays a vital role in linking home, school, and parish.

## **Role and Responsibilities**

- ◆ As a full member of the PTP, the Church Representative is expected to:
- ◆ Take an active interest in the school's effective management and development as a Catholic school.
- ◆ Promote effective partnership between the home, school, and parish in the education and formation of our young people.
- ◆ Represent the views of the Catholic Church, as specified by the Bishop of the Diocese.
- ◆ Encourage commitment to the spiritual formation of the school community through the shared experience of prayer and liturgy.
- ◆ Operate as an active member of the Parent Council, working for the benefit of the school and its wider community.
- ◆ Report to the Archdiocese on major issues of potential concern, conflict, or sensitivity (e.g., school closures or amalgamations).

If you would like to be considered for this role, or would like further information, please contact the Chair of our PTP at

Every year, the world unites on February 4 to celebrate World Cancer Day. A day is known to raise awareness initiatives aimed at educating communities, reducing stigma, and encouraging action to prevent and treat cancer. It was first formally observed in 2000 when the Charter of Paris Against Cancer was signed at the World Summit Against Cancer for the New Millennium in Paris, which established international cooperation to combat this major health risk.

## **SCIAF Wee Boxes** – are now available for Lent. **Please take one.**

Each year generous Scots give up a favourite treat during Lent such as crisps, wine, chocolate or chips, and put the money they save into a WEE BOX for SCIAF.

The money donated provides a hand-up to vulnerable communities in Africa, Asia and Latin America, struggling to survive due to hunger, poverty and the effects of climate change.

“The thousands of WEE BOXES returned each year to SCIAF really do make a big difference to those we work with around the world. The generosity of the Scottish people, especially when things are so difficult for families here, is incredible.”

This year, our WEE BOX Appeal focuses on our sisters and brothers in Ethiopia and highlights the work SCIAF and our partners do to bring clean, safe water.
